## PAST EXPERIENCE

CodSoft IT Service | 2024

Recently worked with CodSoft IT Service, Pune. For one month as a intern of Web Developer.

## PROJECT

Landing Page | 2024

Crafting an engaging landing page is achieved with HTML for structure and CSS for styling. Utilize HTML tags for content layout and CSS properties for visual appeal. Combine both to create a visually appealing and responsive landing page, ensuring a seamless user experience.

## CAREER OBJECTIVES

To excel and explore the knowledge by contributing in the growth of organization and achieve success with full satisfaction.
